Paul,

Here is the latest version that I have of the Resiliency Plan.

I think it is important for me to inform all participants of any plans to release this document prior to its release.

Just to let you know, I will be on vacation and unavailable beginning tomorrow through Jan 2, 2020.

It is probably best to wait until after the holidays to consider any release to the public.

Give me a call when you have a moment to discuss. (cell: 304-634-6943)

Thanks.

Have a Merry Christmas!

Steve
